Sorry for your loss. If this is the George that lived in Orchidland and was our friend and neighbor, he's a wonderful special person. He helped us out a lot when we first moved to Hawaii in the 70's and throughout the years. I missed those Friday nights at Pizza-hut with him, the knowledge he shared and his support was what convinced us we were where we needed to be. I only wish we hadn't lost contact with him. He will always hold a place in our heart, he was a wonderful man.

Yes, this is my Uncle George who live in Orchidland.Thank you very much for your comments. I am his Nephew and George is also a big part of the reason why I moved to Oahu 10 years ago.
