I met Reno in 1972. My brother homesteaded across the street from Tony and Ruby and the kids. I considered him a dear friend. After he came back from college on the mainland, I visited him in his new cabin mauka of the family's home. I moved away, but visited on a regular basis. We would run into each other. I am coming to BI in a month or so but then saw in West Hawaii Today that he passed. I was hoping to see him. God speed, Brother Reno. Tell Tony and Ruby hello.
