Laura was my Stepsister. I remember one Halloween, her and I ran house to house in Falls City knocking on doors for candy. Some people would say where's your costume? Others didn't care and would give us the candy. We laughed, she was like a giselle. That was a great Halloween.

Laura you will always bring sunshine to my heart ❤️ Your compassion and Love to those that you shared your journey with will never be forgotten. Your generosity, integrity and unwavering strength is now something we can all take with us. Truly one of a kind human that we all were blessed to have interacted with. Thank you for showing us the true meaning of humanity.

My beautiful Laura, such a precious precious person with a heart of gold.. you truly cared about others well-being and always wanted to know how everybody was doing, even if you had a mountain as big as Mount Everest to climb. Compassionate, intelligent and full of insight.. we always had good Talk story. You had a very courageous fight and you rode the wave all the way into shore.. We all love you and miss you and we'll take with us the memories and good times! Your light will always shine bright in our hearts ❤️ Dance with the angels Laura, and be free. Be with God and your family. All my Love and Hui ho Beautiful Laura 🙏
