I have known Wilmer since I was a teenager. It's probably been 50 years. . He was part of the original core staff of salespeople of my father's (Jack Pandol Sr) at Pandol Brothers. Wilmer headed the international sales. I worked closely with him doing a little bit of sales but working mostly with the sourcing. He was one of my educators/mentors as I was growing up and developing in the business. Wilmer could be cruel and a little socially off at times. However, his heart of gold always showed through. I don't know of anybody who did not love Wilmer. One-of-a-kind. Special. Rest in peace dear friend. I'll catch you on the other side But not too soon Jim Pandol
